SUPPLEMENTAL DECLARATION

Mail Stop ISSUE FEE  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

We, Benjamin T. Tiberius, Dennis E. Tiberius, and Kyle L. Hansen, the inventors named in the above-identified patent application, hereby declare: that we are citizens of the United States; that our residences and post office addresses are 564 Hillside Circle, Alpine, Utah 84004, 564 Hillside Circle, Alpine, Utah 84004, and 1239 West 1480 North, Orem, Utah 84057, respectively, that we

verily believe we are the original, first and joint inventors of the subject matter of the invention or discovery for which a patent is sought and which is described and claimed in the above-identified application; that the subject matter of the amendment dated August 2, 2004 was part of our invention and was invented before the filing of the original, above-identified patent application; that we have reviewed and understand the contents of the specification of the above-identified application, including the claims, as amended by the amendments referred to above; and that we acknowledge the duty to disclose to the Patent and Trademark Office all information known to us to be material to patentability as defined in Section 1.56 of Title 37 of the Code of Federal Regulations.

We claim the benefit under Section 120 of Title 35 of the United States Code of the earlier filed nonprovisional application Serial No. 10/281,851, filed on October 28, 2002, which issued as U.S. Patent No. 6,701,909, on March 9, 2004, which is a continuation of Serial No. 09/541,786, filed on April 3, 2000, which issued as U.S. Patent No. 6,470,872 on October 29, 2002; and, insofar as the subject matter of the claims of this application are not disclosed in the earlier filed pending application in the manner provided by the first paragraph of Section 112 of Title 35 of the United States Code. We acknowledge the duty to disclose to the Patent and Trademark Office all information known to us to be material to patentability as defined in Section 1.56 of Title 37 of the Code of Federal Regulations, which became available between the filing date of the earlier filed application and the filing date of this application.

We hereby declare that all statements made herein of our own knowledge are true and that all statements made on information and belief are believed to be true; and, further, that these statements were made with the knowledge that willful, false statements and the like so made are

punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful, false statements may jeopardize the validity of the application or any patent issuing thereon.

Signed at Alpine, Utah this 26<sup>th</sup> day of November, 2003.
